## President's Message- Dr Jennifer Sihoe

It is my great pleasure to invite you all to the 5th Annual Scientific Meeting. This is a major educational event of our Society and the theme is on vascular anomalies in children. We have the honour of having Prof Lin to share his expertise. A number of paediatric surgeons who received the HKSPS travelling sponsorship will share what they have learnt at overseas conferences. So please come and join our Scientific Meeting. I am certain that it will turn out to be a truly outstanding and stimulating programme.

## Invited Speaker- Prof Lin Xiao Xi

Prof Lin is the chief physician and doctoral advisor from Plastic Surgery of Shanghai Ninth People's Hospital as well as leading experts in the fields of hemangioma, vascular malformation and medical cosmetology. Now, Lin has been appointed as the team leader of Plastic Surgery Branch and Medical Cosmetology Branch of Chinese Medical Association, chairman of Medical Cosmetology Branch of Shanghai Medical Association and vice chairman of minimally invasive Plastic and Aesthetic Surgery Branch of Chinese Association of Plastic and Aesthetic.

## Honorary Membership Conferment- Dr Kelvin Liu

Dr. Liu graduated in Dublin, Ireland and underwent postgraduate training in the United Kingdom, Ireland and Australia. He worked previously as the Chief of Paediatric Surgery at the Prince of Wales Hospital and later at United Christian Hospital and established the third Paediatric Surgical Centre in Hong Kong serving the Kowloon East Cluster and the Kowloon Central Cluster in 2002.

Dr. Liu is an Honorary Associate Professor of the Chinese University of Hong Kong and the University of Hong Kong. He has extensive experience in research and has published 7 book chapters and over 100 papers in peer-reviewed journals. He has presented his work at numerous conferences, both local and overseas. Dr Liu is instrumental in the development of paediatric minimal invasive surgery and paediatric liver transplantation in Hong Kong. He pioneered the establishment of the multidisciplinary management for cleft lip and palate in Hong Kong.

Dr. Liu has played an essential role in the training and development of paediatric surgery in Hong Kong. He served as the Chairman of the Board of Paediatric Surgery of the College of Surgeons of Hong Kong from 2003 to 2013. Dr. Liu was also the Founding President of the Hong Kong Society of Paediatric Surgery and the Past President of the Hong Kong Paediatric Society.
